You must be aware that NEP 2020 focuses on training students and empowering learners to develop skills required to thrive as global citizens. With the objectives of "One Nation, One ID" Department of School Education and Literacy, Ministry of Education, Govt. of India will create unique APAAR ID for each student which can be used to track the educational progress and achievements of students.

APAAR ID will be gateway for accessing the Digilocker ecosystems that will allow students to digitally store all achievements of students like Examination results, Holistic Report Card, Learning Outcomes, besides other achievements of students, be it OLYMPIAD, Sports, Skill training or any other field. Students can use the credit score for their higher education or employment purpose in future.
